Debtor: Lordstown EV Corporation

Case No. 23-10832 (MFW)
Reporting Period: June 2023

General Notes to Amended Monthly Operating Report and Supporting Documentation

The Debtors are amending the June 2023 MOR and attachments thereto to correct an intercompany receivable and payable, which was incorrectly reflected on the balance sheet and to make certain other clarifications.

The Debtors have prepared the MOR with the assistance of their advisors and professionals solely for the purpose of complying with the reporting requirements applicable to the Chapter 11 Cases. The financial and supplemental information contained herein is unaudited and is not prepared in accordance with Generally Accepted Principles in the United States (GAAP) nor in accordance with securities laws or other applicable non-bankruptcy law. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the MOR, inadvertent errors or omissions may exist.

The Debtors have historically accounted for and reported (and their accounting systems and practices were developed to account for and report) assets and liabilities on a consolidated basis and not on an entity-by-entity basis or Debtor-by-Debtor basis. Moreover, the Debtors' business has been operated on a consolidated basis with no allocation of assets and liabilities to different entities. In preparing this Monthly Operating Report, the Debtors have reported the assets, liabilities, and other information herein on a deconsolidated basis based on certain assumptions which may or not ultimately be proven valid. In light of the foregoing, this report is subject to material change and should not be construed as constituting a definitive determination regarding the allocation of particular assets or liabilities as among the Debtors (and there is a significant likelihood that such allocation will not be possible). The rights of all Debtors (and each of their estates) with respect to these issues are reserved.

The amounts reflected for Total Current Assets, Other Assets (Cumulative Funding of / Investment in Subsidiary, and Total Assets each include, without limitation, the cumulative funding/investment by Lordstown EV Corporation to or in its subsidiary Lordstown EV Sales LLC. To be clear, the amounts do not reflect the fair value amount and no fair value analysis or impairment has been conducted with respect to such funding/investment and any related equity value.

Certain portions of the Debtors' prepetition contingent liabilities reflect disputed liabilities that are subject to compromise, and all rights of all Debtors are reserved with respect to such liabilities and their allocation.

General Notes to Balance Sheet and Statement of Operations Attachments

These financial statements were prepared by the Debtors' management and are preliminary and subject to final quarter-end closing adjustments, which have not been fully completed prior to preparation of this MOR.
